BLACKROCK

TECHNICAL DATA SHEET

CF52 GRS EVO TRAINER

DESCRIPTION

The Blackrock GRS Evo is a first-of-its-kind safety trainer, made entirely from recycled materials from top to bottom. It features a GRS-certified active knit TPU upper, a recycled PU sole unit. Lightweight, metal-free toe cap and midsole provide reliable protection, while the dual-density PU sole delivers shock absorption, slip resistance, anti-static properties, and fuel-oil resistance. Using innovative technology, the sole is manufactured from recycled PU pellets that are melted and injected to give old materials a new life—without compromising performance.

SIZES

UK 3-13

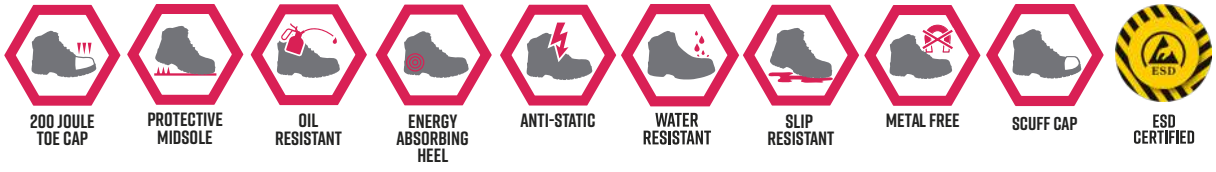

STANDARDS

EN20345:2022
S3S FO SR – ESD

KEY FEATURES

- Water-resistant active knit/TPU upper
- Lightweight metal-free toe cap and midsole
- BASF recycled dual density, shock absorbent, anti-slip, anti-static and fuel oil resistant PU sole
- Energy absorbing heel reduces foot fatigue
- ESD certified
- Scuff cap for added durability

FEATURE ICONS

MATERIALS

- Water-resistant active knit/TPU upper
- BASF recycled PU sole unit
- Lightweight metal-free toe cap
- Lightweight metal-free midsole

TYPICAL INDUSTRIES

- Automotive
- Transport
- Warehousing
- Airport & Logistics

CERTIFICATION/MARKINGS

EN ISO 20345:2022 is an internationally recognised standard which specifies requirements for safety footwear. Any product which references an EN standard must have the relevant certification attributed to the product code found on the product.

The product standard can be found on the tongue label and should match that stated on the certification. The standard is usually a group of numbers and letters, for example S3L FO SR. These letters and numbers denote the characteristics that make up the footwear you are buying which include properties such as protective toe cap, waterproof uppers, protective midsole, fuel oil resistance, anti-static, heat resistance and slip resistance.

Users are advised to select the required class of performance based on the risk assessment of the location and/or task as appropriate.
